FORM OF PUBLISHING REVIEW

I. TITLE OF THE ARTICLE

.....

II. EVALUATION OF THE SUBMITTED PAPER (mark one of the evaluations):

1. The paper is fine to publish without changes (justify it briefly).
2. It can be published without changes, but does not have any particular insight. It may not be best suited for the journal. (justify it briefly).
3. In principle the paper can be accepted, but needs some minor corrections (cite those corrections).
4. The paper can be accepted after serious correction and new evaluation (explain, if possible, what can be corrected).
5. The paper should be rejected – it does not appear capable of being revised adequately (justify it briefly).

III. JUSTIFICATION OF THE MARKED EVALUATION (please write below and on the next page if necessary).
